LEEumDEE with his woodland apc
the next theme is the gdi deadeye.

same rules like previous contest

the last entry date is the 4 th july 2009

How about you make a contest that anyone can enter by making 'their favorite skin'. Since now you are setting a strict theme again. (Char skins are harder then vehicles to get something serious out of in my opinion)

I would say get people to compete first. So try to get more than 2 entrys. I can understand you want a strict theme but you should first the contest of the ground.
