Goztow wrote on Fri, 26 June 2009 21:29Jeez, you could at least have explained what exactly we were asking for... For all we know, he never even played Renegade!

Maybe you could ask for EA's permission to release the beta? An official statement that the original confidence contract is no longer of any value towards them and that they accept the official release by the original beta testers?

i tried it a few days before i posted this. Maybe you try
