Doitle wrote on Sat, 27 June 2009 23:18 One of my EE professors is actually a registered sex offender. It's pretty bizzare. You can go on that Family Watchdog site type in his name and see him in a mugshot and then go to the Bradley homepage and see him smiling in his office full of balloons.

He's a pretty nice guy although a bit elitist. He tends to think students are very dumb. Probably because he is one of many, many people on that list who don't belong there. Some of the rules for what makes you a "sex offender" in this country are totally fucked.

Also, I couldn't find 'pedo bear' on the list ... wtf?
