i'm also unsure how the patch will affect skins; is the idea to remove all skins to ensure fairer gameplay?

That's (again) up to the server owner. He will probably be able to choose between:

- classic mode (game loads everything from always.something (classic skins, or if they're modified downloads those from the server);
 - hybrid, it allows certain skins that are approved by the serverowner
 - open, it will allow all skins and models.
-
