Wild1ACK said that he fould be making a C&C1 mod. Now I know what you all are thinking, "C&C1, but isn't that Renegade?" Well yes and no. Sure Renegade is based on Tiberian Dawn, but it sure as hell doesn't look like it.

That's about All I know. Anything further, and ACK will have to kill you.

Renegade has very little in common with Tiberian Dawn. The only thing it has in common is the title: "Command and Conquer...", and like only one name that I can remember, "Kane", and unit names (Most of the units have little resemblance to the Tiberian Dawn units). Renegade's story has absolutely nothing to do with Tiberian Dawn, the time Renegade takes place isn't even near when Tiberian Dawn takes place.

(Oh, ACK said that the Ren Alert team that wants to will be doing a/the Tiberian Dawn mod after Ren Alert is "finished".)
