/me thinks how many more h/s can that stealth patrova on the cliff take...

This mod rocks I love it I killed 33 ppl in 30 minutes...

The AI is quite inteligent and very very fucking strong I mean that patrove took 3 rounds of my sniper rifle to the head...

Be very very careful of that mutant raveshaw he is a bugger to kill...

Enjoy urself but watch out as they spawn kill you .
