u6795 wrote on Thu, 16 July 2009 21:37He used to be alright, but now it seems like he's going through this phase of absolute dickery. It's not worth a ban, though. You just have to learn to not be offended by stupid shit, especially when it's coming from a guy who calls other people nerds while bragging about his awesome HUD skins.

I'm not offended because I'm never the one he's assaulting, but I'm sure other people are.
