GoodOneDriver wrote on Mon, 27 July 2009 17:44LeeumDee wrote on Mon, 27 July 2009 17:33My exact point.

Here you are sharing hue change and copy paste skins. So pleaaaaaaase continue down this path, cause' everyone wants your stuff

haha copy and paste haha i havnt done that shit for like 5 months so get off my back with that shit and yea every one is pmin me saying please realse the neon

Oh yay. Another Scrin wannabe, and we all know just how delightful he was. Please finish your ego trip.
