Subject: [RELEASE] crysis RenegadeX HUD (The cheap copy)
Posted by cAmpa on Sun, 09 Aug 2009 21:54:50 GMT

I just release it to show crysis how retarded it is to share other peoples work.

Enjoy or not, not sure about this point because the copy is really cheap.

The rar archive has a 1280x1024 and a 1024x768 version.
