am looking for a nice looking car ( not luxury ofcourse )  
something that is fast and fun  
something that can fit atleast 4 people in it  
something that will last longer than 3 years  
something that has good gas milage  
something that isnt to expensive

Subaru. Nothing else needs to be said.

If you can afford it go with a WRX or WRX Sti. You won't regret it. As long as they have Subaru dealerships in the Ukraine? I imagine they do.

Quit talking rice... (other then the V8's mentioned in the end of the post. I quit reading after the above quote)

Nothing else needs to be said... except the new Imprezas are ugly as fuck? And no it's not the fact that it's a hatchback, I have no problem with hatchbacks, it's an UGLY hatchback.

And STIs aren't rice since when...?
