Goztow wrote on Mon, 17 August 2009 05:29 Jelly does whatever he wants to do. Maybe one day you'll make a mistake, like I did, and write something he doesn't like and end up without a high listed nickname. Ironically, my community was the one using a00000002 back in the days...

All I want to say is that you shouldn't expect anything from him, and just be happy with whatever he allows you to have.

You and ref slagged off me, and our entire setup on your forum. Don't expect favours from me when that's how you repay them.
