XFIRE COMMUNITIES

Xfire has two types of communities: Core and Unlimited. Both are free and share many of the same features. The difference is that a Core community is limited to 300 people so we can show your whole community in your client as friends.

FEATURED COMMUNITY

Tsunami Gaming Network

Xfire would like to congratulate the Tsunami Gaming Network (TSN), Xfire's featured Team! TSN facilitates competitive and casual gaming through democratic leadership and is built on a strong ethical foundation. Offering resources for new and existing clans such as web space, Teamspeak/Ventrilo channels, as well as community events and forums, TSN is highly welcoming and also has a clan of its own. Currently involved in CoD, CS, WoW, and C&C, they're always looking for solid gamers from across the Xfire community. So if this sounds like a community for you, go check out the [Tsunami Gaming Network](#) community page!

FEATURED OFFICIAL COMMUNITY

Football Superstars

This is the [OFFICIAL](#) Community for Football Superstars.

The community is endorsed by Cybersports and Monume Games, the developer of the free to play football (soccer) game.
