gee thanks dover, you honestly don't know me, i do have a sense of integrity, and in the pm i told
andr3w that the only thing i would ever use the overlay for was when im following a suspected
cheater in spectate mode.

Oh, yeah! Totally. Me too, me too.

Dude, stop embarrassing yourself, you've admitted that you know almost nothing about this whole
thing yet you continue to post in the thread time after time for no other reason than to suck up to
the noobstories staff so they might give you mod status.
