C4 U

Overall that got me a B

Bio: B
Business: A

Overall i missed my place at warwick by 1 mark

Off to sheffield now to do comp sci!

Nice on the c1 c2 and c3.....unlucky about c4, although that was a really hard test.

I only got 50% so only managed a D, which will have been my worst one out of all of them.

If i got better on C4 i'd have managed an A....not sure how many points i was from it though.

I got 449/600 in the end.....what did you need for an A (i'd cry if it was 450).

You need 480 for an A

440 for a B

I got 479

Ouch.....in that case, i was 9 marks into the boundary for maths....which, incidentally, i was only 8 marks into the boundary for geography.

Ah well, i got into uni, so i'm happy.
