when they hack why post here for everyone to see it'

Because i wanted to proof you can go dirty while playing n00bstories and you wont be discovered anywhere fast. I wasnt using dmg hack all over, they disocvered my after i was shooting rl with faster velocity on Volcano.mix. I used not only dmg bonus. Just to proof it wasn first game, im not lying. Most of times i used left button with normal damage, sometimes right with bonus. Theres alot of peeps on n00bstorie using "extra tools".

I do not use cheats while playing, i just wnated to see how long take mod to catch me. You can use spectacor mod as full mod and observe me.

Carrier, Here's your HOF material.
