Goztow wrote on Fri, 28 August 2009 02:25 We do follow our own rules, it's just that this rule is new and wasn't instructed yet at the moment when I made my post. Moreover, one could say an ip address is not private information as you spit it out to anyone who asks for it.

I PM'ed Queen asking to adapt his signature to conform to the forum rules, though. Thank god, I was about to sue him because his signature was distracting me from the forums.
