Crimson wrote on Fri, 28 August 2009 01:38 Find teh lolz. Also, 24 hour warning what? More like 24 seconds. It would also be nice to show where your IP was posted so that I might actually consider removing it.

But maybe that is too much for your pea-sized intellect to handle.

I pm it to you in an attachment , I even wrote in my statement that it is attached.

Did you not read it or just say wtf?
