But maybe that is too much for your pea-sized intellect to handle.

Mines bigger than yours honey, and it is not public information?

at least I can form sentences and not speak foul language like all your mods. you people are mean hateful and dispicable

you have all shown the renegade community what you are about.

AGAIN it is not public information, otherwise I would all of your wouldnt I?

(NINE-THOUSAND AND ONE BLANK LINES HERE)

You do, if you know where to look. I know the IP of every player I've played against in StarCraft, for example.

Edit: And relax with the Return key. God damn.
