What?

I see what he was going for, he just said it wrong.

He was sarcastically implying that there's no way Bush could have pulled off such an "intricate" plan (that middle school dropouts could apparently "uncover"), especially when most of the same people say he's dumb as a load of bricks and what have you.

His second "point" was that any involvement Bush had, Clinton probably had just as much, all things considered.

But that's a hypothetical argument to an already retarded theory, so...
