DarkKnight wrote on Mon, 31 August 2009 17:03 Thing i find funny is for years we heard how stupid bush is but yet in his first few months in office he was able to pull off 9/11. Of course Clinton who was just in office he in now way had anything to do with it (no response that should be posted on the forums is available, as it would turn into a flamefest. We will instead post something that has been posted on this forum before.) I deslike you.
