Sorry but he's still a guilty pos.

I can play post a link too,but it dosen't mean anything.

Did you see the interview where that boy was holding hands with him and putting his head on MJ's shoulder?Saying they loved each other and nothing wrong with that?

Sick shit.

You probably believe OJ was innocent too. LOL

Posting a link means a lot when it contains facts you dipshit, and the facts in this case are he was acquitted and is innocent of the charges. Move on with your life.

Durrrp hurr de duurrrrr I bet you think the moon landings were fake also. LOL

Just because he was found not guilty dosen't mean he's not guilty.If you're so smart,then you should know our court system fails. ALOT

durrrr durrrrrr

Believe everything you read and take it as fact?

No, but of course, because it's your personal opinion, that means the courts in this case were wrong? Right.

The court does fuck up quite a bit, but in a high profile case such as Michael Goddamn Jackson, the guy who sold the best selling album in world history, do you really think anyone would have let it slide if he faked his way out or in some way WAS guilty?

What's with the insecurity about intelligence, by the way? I never touted myself as smarter than you, but twice in this thread you've made references to Cabal & I as well informed. Thanks?

P.S.

I like how all you "smart" and "well informed" people go straight to the name calling.

Dosen't make you look good.

And you can shove whatever "facts" and the not guilty shit in my face all you want.

He was a sick fuck,and for some reason you fags want to stick up for him.

What you're saying here is that "I believe something is true, therefore it must be true and everyone else is wrong." My bullshit detector is going wild.

P.S. You got to the name calling before I entered this thread. I understand Cabal told you to shut the fuck up, but I wasn't involved in that. Don't try and turn it on me.

And saying OJ is a different story.How so?

He was a guilty prick and found not guilty just like MJ.

OJ was obviously guilty, but the reason he wasn't convicted was because of the racial tensions that were created. MJ's case had NOTHING to do with race. He was never convicted because the

overwhelming evidence is he was innocent.

And fucking lol @pawky. TIN FOIL HATS & GUVMINT CONSPIRACY!!! MEDIA IS LIES!

Durr. You need to learn to take what the media says with a grain of salt regardless because everyone has a tendency to sensationalize the news. That doesn't mean you're a mindless drone for paying attention to it.
