I hadn't much time to post my picture because I've been busy. You see, my son is being a very annoying nuisance to my ambitions. He thinks what I want to do is 'wrong' and he won't listen to my point of view. I mean, just recently I tried to get him to listen to reason and he threw himself down a hole and ran off with some buddies, one being my daughter. Now he's thinking of overthrowing me. Some son. All I have left is this old man who is my mentor.

Anyway, here's my picture:
