Actually, they do plan on ending the Tiberium saga; As quoted directly from PC Gamer (September)

Quote:The eyebrow raised by Sam Bass, head of story on the Command & Conquer series, points to an epic conclusion. It points to the end of an era. And it points to rebirth. In the fourth C&C strategy game, EA are upfront about ending it all. They're putting a full-stop to Command & Conquer. This will be the last in the Tiberium series, and the last of the games that stars Kane. Magazines are very commonly misinformed and misprinted.

EA has said themselves, on multiple occasions, that C&C4 is not the last C&C game that will feature Tiberium. It's the C&C game that ends the story arch of Kane.

Go onto their forums and search for yourself if you don't believe me.
