Magazines are very commonly misinformed and misprinted.

EA has said themselves, on multiple occasions, that C&C4 is not the last C&C game that will feature Tiberium. It's the C&C game that ends the story arch of Kane.

Go onto their forums and search for yourself if you don't believe me.

Same thing. The Tiberium saga is TD, Renegade, TS, C&C3 and C&C4, which all feature Kane.

This is opposed to the Red Alert universe.

Kane was in RA1, back when the series was good.

TT will be done soon. Reborn has in production how long now? And the infantry only release was how long ago? If they keep up this pace, reborn will be released just in time for the second coming of Jesus.
