Saw these two articles (and the flame wars they generated) today, and realized just how entertaining it is to read flame wars.
So either it's common to find these entertaining, or I'm crazy.

http://www.makeuseof.com/tag/how-to-view-private-facebook-profiles/
This article's crazy, that's what started the flamewar in the first place.

 http://www.makeuseof.com/tag/6-things-windows-users-should-know-before-switching -to-mac/
Read the URL. Obvious flamewar inc!
