Frankly, I had no idea who the guy was; I doubt most people in NA would be able to rattle off any Judeo-Christian martyrs besides the 'Jee-man' or feast days, let alone those from another religion.

Sure! Of course, you're absolutely right. All I'm saying is if you don't have the time or effort or whatever to learn about the culture you're bitching about, you don't get to bitch. Before you start developing any feelings whatsoever you need to stop and realize "Holy shit, I have no idea what's going on here, I should shut the fuck up."

Or any other kind of education on the subject, yeah.
