Goztow wrote on Thu, 01 October 2009 14:16About cheat detection:
1. will server owners be able to screenshot player's screens? It was mentioned before this would be included.
2. will c4 skins be checked?
We did agree on the screenshot feature, and it *should be* included, but I'm unsure whether there has been any work done on it.
C4 skins should indeed be checked as well.
