http://www.motortrend.com/roadtests/coupes/112_0903_2010_chevrolet_camaro_ss_vs_2009_dodge_challenger_rt_vs_2010_ford_mustang_gt/index.html

I meant compared to the new Camaro, the mustang is light and zippy. And if you guys will notice the stats on these cars, you'll notice that they are very very good. well, aside from the Challenger's handling and Camaro's weight.
