WalrusHoly Shit!

I thought you had left ren for good!  
Good to see you. glad to see some one I know is still playing.  
Walrus2k----wal

Walrus2k - never give up never surrender  
I just took a break, im still alive !  
I have my hardware testsite to take care of it takes a lot of time and my wife need some time also  
but im online and playing , find me on MOONLIGHT server if it is online.
