Omar007 wrote on Sat, 03 October 2009 05:13Well you could try to visit the forum by using a proxy like www.hidemyass.com or something

Some schools haven't blocked all proxies. My school didn't blocked this one so i could visit youtube/googlevid

Errr yeah... if the filter detects anything with the letter "x" in it as porn I'd assume it would do the same for anything with "ass" in it also
