Seriously, who wants to play a game with more players on their team? That is so lame.

If they're gonna cry saying "YEAH BUT WE SHOWED UP WITH 10, MY VALUABLE TIME IS FUCKED NOW" just switch 5 players in the second round, big deal? Not everybody can be there even though they said they would, unexpected things can happen in real life, nobody gives a shit about this tournament at that point.

If you respect eachother, drop your amount of players to the same amount of the other team and switch out players for the second round, so in the end everybody gets to play and we'll all be one happy fucking family.
