...the fact you think it's irrelevant simply proves you didn't read it.

no, it doesn't

you're lying or mistaken

in regards to the players with the highest points losing the least ladder - that's a mistake in your opinion, but not in theirs

otherwise they wouldn't have made it that way

it's not always the fault of the player that his or her team loses, and perhaps westwood didn't want them to suffer overall because of it
