R315r4z0r wrote on Thu, 08 October 2009 21:07Toggle SpoilerYou've failed to realize that I said I want to be 4' something. 5' or 6', it's still taller than 4'.

To compensate, in games, whenever I'm given the chance to create a custom character (RPGs mainly) I always make them short.

Off topic but, what game is that?
