R315r4z0r wrote on Thu, 08 October 2009 21:07 You've failed to realize that I said I want to be 4' something. 5' or 6', it's still taller than 4'.

To compensate, in games, whenever I'm given the chance to create a custom character (RPGs mainly) I always make them short.

^are my internet social skills deteriorating and I'm falling for an obvious troll or is this guy really this fucking weird? I don't know this guy's history and his posts are from trolling for dummies 101, but nevertheless, this fella seems like a legit crazy person...
