Vietnam War. His deputy, Lyndon Johnson was raised to the President, then, devoted all his energy to intervened militarily in Vietnam. As a result, Jewish military industrial complex secured enormous income for decades. More than 70% of federal budget was spent for Vietnam War. 2. Johnson's wife is allegedly a Jewish Mexican.

I never knew such a thing existed. That'd be some pretty crazy Yiddish. Can you imagine the kvetching!?

I lol'd.
