Next month clanwars will be starting again, and we are looking for more players to play in the league.

If you're a fast player that doesn't bring his/her team in any unneeded trouble ever and you have some awesome awareness, then this the place where you need to be. Headshooting and dodging bullets is what you do when you play Renegade and still knowing what is going on around you. Can you communicate? Do you know what teampay is? Are you creative and smart enough to create your own tactics? Hey, then you should look up on [clanwars.cc](#) and get some matches going, you'll be experiencing Renegade on a level you've never seen before.

How to join:

Step 1. Create an account by going here: http://www.clanwars.cc/main_join.aspx

Step 2. Join the official Renegade clanwars league by going [HERE](#) and clicking on >>> Join ClanWars <<< (view [THIS image](#) if you can't find it.)

Step 3. Create your own clan, by going [HERE](#)
