If you need Coop specific help in leveledit or scripting then join me on irc.mp-gaming.com in channel #mp-renx and i'll see if i can help you.

edit: <http://www.teamviewer.com/nl/index.aspx>

Get that teamviewer stuff, it is SO DAMN EASY to help people remotely with it, i can actualyl SHOW you where to do what then.

Is soooo much easier to help rather than typing stuff.

Teamviewer is free program btw, no spyware or whatever.
