Tony wrote on Sun, 25 October 2009 21:46: Actually I installed from TFD... that's why I'm not sure why it is all the sudden asking for the disc. I can still play by hitting the cancel button. Where do I find one of those cracks... I went ahead and backed up my files as they are sense I can still play, where can I find the best skins? Thanks for putting up with me and helping out!

do a repair on the whole TFD
