Thanks, fairly unknown person from god knows where! Your input makes us all feel at ease
Not to mention that isn't even what I said.

Di3HardNL wrote on Wed, 28 October 2009 07:19Jezus, stop crying about safety.
halo2pac is a trusted person, and has developed this tool which can be very handy.
Good work
I don't trust him. That isn't a slight against him either. I make is a general policy to NOT trust random people on the internet who want me to stick things like passwords and serials into other things. On a side note I have a similar policy with women
