HaTe wrote on Fri, 06 November 2009 14:55 People still wonder why barely anything gets released anymore?

The comments are jut plain out brutal sometimes....yes, it's showing your opinion, but cmon guys...

The comments are negative because on a scale of 1/10 when it comes to quality, so too are the skins released.

Seriously, there are VERY few quality skins being released. The only people who seem to put any work into their stuff anymore is Di3hardNL and Dreganius.
