Personally I think they're starting to get pretty annoying
especially about leaving out small details in their new commercials

like this one

http://www.youtube.com/watch?v=JoGYBxbe_bw

Good idea to buy a mac since I'll have to start fresh anyways!

oh wait now I'll have to buy a 2000\$ mac and 90% of the stuff on my pc won't work and I'm
already on Vista so all my stuff will transfer over anyways
