And, Tbh, Renegade wouldn't change if this site were gone either! And, If Renegadeskins close, You loose 50% Of the skimmers of Renegade.

Lets see.

If Renforums dies out you will loose.

-Scripters

-Modellers

-Mod Makers

-TT

-50% of the skimmers

-A help forum for people that need help.

(And most specially Renedrama's like these...)

If Renegadeskins dies

-50% skimmers(I'm sorry but personaly I dont believe this number)

I would like any admin of Renegadeskins to tell me the following.

How hard is it to just post a sorry post?

Or to remove the content and give JsxKeule an infraction or talk to him? (That things like this arent supposed to happen)

Or to pm an appology to a moderator on Renegadeforums that this wasnt supposed to happen?

See what I'm getting at?

No one over here screwed Renegadeskins they did it theirselves.

You guys chose this way to deal with the situation.

Which in my opinion an admin wouldn't choose.

Again this is just my opinion do with it what you want.

JsxKeule was talked to by Crisis992. You guys were being too much of asses to even notice I'm guessing though?

Btw, TT Patch will Kill Renegade, So, Really, I don't care if it dies or not right now. Whenever TT Patch comes out you loose all your modelers ANYWAY, And most of the skimmers. And probably around 50% Of the skin users, And model users. LOL, Mod makers will "disappear" If renegadeforums closes? Half of the mods for RENEGADE aren't even here...

So, Half of that list you just named off there will be gone anyway when TT Comes out. And you have already lost a lot of the Renegade Community due to ignorant assholes like you.

Lol, Crisis put me up to it? I've been staying out of this battle, And you fucking douchebags kept

on fighting when Renegadeskins got out of it, So, I tried to end it, Then you ignorant little fucks decide to argue about that.

Grow up idiot, Get a life, And stop bringing up topics that people have already tried to stop various times.

If you would like to fight with me anymore, Just contact me on MSN.
