its sad that i am posting in this topic again, but...

AircraftkillerTheDragonAircraftkiller1. You're an idiot.

2. You're an idiot.

3. You're an idiot *AND* you contribute nothing to this community.

4. You spam the forums and post up absurd images after being warned, twice.

i'd say of all the people deserving to be banned, you are on the top ten.

For what, praytell? Because I don't like some "modifications" people make and tell them that? Or because I don't kiss ass at every available opportunity?

Go find something else to bitch about.

its sad, really. you don't really deserve to be banned, but you need to take that barbed wire out of your ass, mkay? kthx. and thats all i'm going to say about this.
