Okay I'm a polish student in 3rd class in a High School. I feel really discouraged when i have to learn polish, its hard even if you're polish. Theres a lot of crappy rules in, some of the letters are same,sound the same but have to be written differently cause its matter of word.. . Polish has seven cases and Polish grammar has shitload of exception. The funny thing is that then i get really good marks during English lessons in my school while i get very low marks during Polish lessons. I find English much better then Polish due to accent,grammar,vocabulary etc. Thats why it feels a bit funny and sad. Even if my English skills can be not enough i enjoy it much more.
