Good to see you feel uncomfortable enough about your appearance to delete the picture...where's your /b/tard bravado all of a sudden?

I deleted it so you can go back to responding posts that are comprised entirely of that picture. Funny to see you accuse me of being uncomfortable with my appearance when you're too ashamed to post any pictures of yourself in any of the countless "SHOW URSELF" threads. What do you have to be ashamed of, JohnDoe? A third nipple on your forehead?

And you lie, you reposted the same bullshit in other threads unrelated to PC vs Mac. You're just a low quality troll.

But anyways, back on topic;
