You seem to make a rather sincere argument, but two things cause me to question its authenticity.

A) You started this thread claiming you never cheated, and it wasn't till I posted the Exodus IRC logs that you admitted to it.

B) You were caught cheating in Exodus AOW and Co-op roughly a month ago, and in one instance you even tried giving out cheats to other players.

Because of these two things, I find it hard to believe that you will play clean @ cw.cc, and even if you do, I don't think it is going to be a positive reflection of the league in the eyes of the Renegade community.
