Why on Earth should Spoonny, or anyone else have to keep Loki on a tight leash. That puts the responsibility on someone else, which is unfair. The onus should be on Loki, and given his current record, I'd say it's kinda hard to 'trust' a guy who's cheated it up in pretty much every server in Renegade...

...including a Co-op server lol...

... and expect him to play nice in a clanwar? That's a pretty tall order.
