Why are these community's so retarded?

first with jelly, CW.cc was too late then Whiskey posted an essay about trying to get things done and they're like NAW i'd rather NOT play we'll prolly lose with a good cw.cc lineup.

Then soqwarlock makes an entire essay about him being too scared to play cw.cc (everyone kinda knows who's gonna win anyway).

I'm not playing in this tourny but i find the sportsmanship of these community's retarded. cw.cc even got ddossed n stuff.
