You have to make a bat file called "ftpupload", put it in your Renegade FDS directory, and enter the following into it(filling in all the info needed):

```
@echo off
echo user enter ftp account username here> ftpcmd.dat
echo enter ftp account password here>> ftpcmd.dat
echo bin>> ftpcmd.dat
echo put enter path to html file here>> ftpcmd.dat
echo quit>> ftpcmd.dat
ftp -n -s:ftpcmd.dat enter ftp server here
del ftpcmd.dat
```
