Sk8rRIMukBah you guys are soooo behind the BrainBot2.7 patch came out 2 minutes ago with spinal cord, imagery, smell, taste and a whole load of new plugins.

Tsk... Tsk... Tsk.....

Anyways Crimson may delete it only if she feels it necessary its not like its really a topic all about a aimbot :rolleyes:

maybe it is.....

You must have missed the new English2.5 and Grammar2.4 plugins. Don't worry, they come standard with the new patch, BrainBot 2.8.
